REMINDER:

We are happy to provide transportation, but we have a limited amount of time for daily trips. Please arrange your travel so that we will be able to pick you up no earlier than 10:30 AM, and will be able to have the van back at the Center by 2:30PM. *Rides should be scheduled by 10 AM the day of travel for local trips.*

As always our out of town van leaves the Center at 7:30 AM, and we need to leave the destination city by 2 PM, so plan your appointments accordingly.

If you would like to ride the bus to any destination please call the Center- 273-2291

Meals and other services for folks 60 and older are provided at no cost to the recipient.

We do encourage a \$3.00 per meal donation, but it is entirely voluntary. We also afford you the opportunity for confidential donations for our other services. If you choose not to donate, you will still receive any services we offer.

Since we really don't require payment on a daily basis, for your meals, you will be able to make your donation whenever you choose and eat as often as you like.

We have changed the date for our Annual Birdhouse Raffle and Auction! The raffle and live auction will be on **May 4th** during lunch! We will also be having a silent auction that will take place before lunch starts! Tickets are \$1 each or 6 for \$5! We hope to have all donated houses to the Center by the 2nd.

Thank you in advance for your support!

The Pershing County Senior Center is in desperate need of more volunteers! We depend on our volunteer force very heavily to provide superior service on a day-to-day basis. We pride ourselves on our well-trained volunteers and friendly and swift meal service. Our volunteers typically work 1 day a week from 10:00 am—1:00 pm. You can choose which day you work. If you are interested in being a volunteer, please call Jordan at 775-273-2291.

If you or anyone you know is in need of homebound meals, whether long term or just temporarily (whether it's 1 day, 10 days or 4 months), please call the Center and let us know and we will get you or them put on Homebound. This is an important service to our community and we want people to take advantage of it!

Dear Pershing County Senior Center Volunteers,

The work you do on a daily basis is invaluable. Not just to the Senior Center, but to the whole Lovelock Community. You are selfless, caring, and generous individuals who help provide a vital service to our locals. You probably do not know how much we appreciate all the work you do every day, but hopefully you feel appreciated. You do more than help us fill bellies. You show our local Seniors that people care about them. You help improve lives and create a positive, fun, and caring atmosphere for everyone that walks in our doors to come eat every day. Whether you are a greeter working the front desk, or a server that serves the fruit, milk, coffee, tea, soup and main meals, you are impacting lives every day. We understand how much work it is, but we couldn't ask for a better group of volunteers than all of you. We are so fortunate to get to have the privilege of your presence and service. We are complimented constantly on how friendly, helpful, and kind our volunteers are and that inspires confidence in our program. We want to make sure you know that the work you do, does not go unnoticed. You are the heart of our program, and we are so lucky to have you!

Sincerely,

Jordan
